But when, by reason of any legal proceeding, the debts due from the deceased have not been ascertained and paid, or his effects have not been recovered and made available, and in consequence thereof the executor or administrator is prevented from claiming the return of such difference within the said term of three years, the Government of Mysore may allow such further time for making the claim as may appear to be reasonable under the circumstances.

19 E. Where any person, on applying for probate or letters of administration, has estimated the estate of the deceased to be of less value than the same has afterwards proved to be, and has in consequence paid too low a court fee thereon, the Government of Mysore may, on the value of the estate of the deceased being verified by affidavit or affirmation, cause the probate or letters of administration to be duly stamped on payment of the full court-fee, which ought to have been originally paid thereon in respect of such value and of the further penalty, if the probate or letters is or are produced within one year from the date of the grant, of five times, or if it or they is or are produced after one year from such date, of twenty times, such proper court-fee, without any deduction of the court-fee originally paid on such probate or letters:

In case of letters of administration on which too low a court-fee has been paid at first, the Government of Mysore shall not cause the same to be duly stamped in manner aforesaid, until the administrator has given such security to the Court by which the letters of administration have been granted as ought by law to have been given on the granting thereof, in case the full value of the estate of the deceased had been then ascertained.

19 G. Where too low a court-fee has been paid on any probate or letters of administration in consequence of any mistake, or of its not being known at the time that some particular part of the estate belonged to the deceased, if any executor or administrator acting under such probate or letters does not, within six months after the first day of 1886, or after the discovery of the mistake, or of any effects not known at the time to have belonged to the deceased, apply to the Government of Mysore and pay what is wanting to make up the court-fee which ought to have been paid at first on such probate or letters, he shall forfeit the sum of one thousand rupees, and also a further sum at the rate of ten rupees per cent on the amount of the sum wanting to make up the proper court-fee.
